

MEET THE EXECUTIVE TEAM

Michael McLanahan

Chairman and CEO
Hollidaysburg, Pa., USA

Representing the fifth generation of family ownership and management, Michael McLanahan currently serves as the Chairman of the Board and CEO at McLanahan Corporation. He is responsible for the overall strategic direction of the corporation and its sound management and performance. Under his leadership, McLanahan Corporation has diversified its product lines, increased its market share, and established its global presence. Michael graduated from Carlton College with a degree in geology and did his master's degree work at Michigan Technological University.

George Sidney

President and COO
Hollidaysburg, Pa., USA

As President and COO, George Sidney is responsible for managing the company's day-to-day activities and for the development, design, operation and improvement of all systems that create and deliver products and services. George joined McLanahan Corporation after earning an undergraduate degree in mechanical engineering from Penn State University. He has done graduate work in mineral processing at Penn State University and the Colorado School of Mines, as well as in international business at California Institute of Technology. George worked in sales and engineering before becoming President and COO in 2004.

Sean McLanahan

Executive VP, CAO, and Corporate Secretary
Hollidaysburg, Pa., USA

Sean McLanahan represents McLanahan Corporation's sixth generation of family ownership and management. He is the company's Executive VP and CAO and is accountable for the establishment of McLanahan's financial objectives and for the implementation of effective business processes, financial and risk management, accounting, corporate taxes, insurance, and information technology. Sean joined McLanahan Corporation in 1994 after earning a degree in industrial management with a minor in economics from Indiana University of Pennsylvania. He has worked in numerous positions of responsibility and has extensive knowledge of the corporation's daily operations.
